

The Importance Of Mother

PROVERBS 29:15

15. The rod and reproof give wisdom: but a child left to himself bringeth his mother to shame.

PROVERBS 22:6

6. Train up a child in the way he should go: and when he is old, he will not depart from it.

THE INFLUENCE OF ANOTHER [62-1013]

Your family is what you are. You raise your child in a certain environment; it's got a ninety-eight percent better chance to go right than it has if you bring it up in the wrong way. *"Bring up a child in the way that it should go, and when it's old, will not depart from it."* Be brought up right. Teach your children to do right, to be honest, to be square and fair, even when they're in school.

GOD HIDING HIMSELF IN SIMPLICITY [63-0317M]

A real mother wants to take her baby to church, and that's the thing you should do.

BLIND BARTIMAEUS [59-1127]

I tell you, the thoughts of a good Christian mother, is a treasure to a human heart that's never forgotten. God, give us more mothers that'll take their children, and instead of trying to teach them tap-dancing, and something to ruin and wreck their life, will read the stories of the Bible to them and tell of them of the God of heaven and peace. God knows that we need that above all things now for motherhood.

HE WAS TO PASS THAT WAY [57-0727]

...when motherhood is broke, the backbone of the nation is broke.

CALLING JESUS ON THE SCENE [64-0319]

And, you know, that's a good thing for any mother to do to her child. *"Bring up a child in the way it should go."* It would be better than turning on the television and watch some of these here things that goes on on the television. You'd be better off if you read him a Bible story, 'cause it's impressing his little mind.

ELISHA THE PROPHET [56-1002E]

...here some time ago, I was reading an article where there was a home, and five boys was borned in this home. And as soon as their oldest one got old enough to go to the Navy, off to the Navy he went. The second one followed, the next one, until all the whole five went away to the Navy. And there was no Marines or Navy men in their family. The mother and father couldn't understand just why these people, these boys, every one wanted to go to the Navy.

There was a--a real fine combing investigation made of this. And come to find out, in the bedroom where these boys all was brought up, in this bedroom there's a beautiful big picture hanging there of a big ship sailing on a quiet, calm sea. And it so impressed the boys as they went to bed at night, looking at this picture. It was on their mind to sail that quiet soothing sea. And along the morning when they arose, the first thing they could look at was that ship making her way through the quiet, calm sea. And it impressed the boys so, that each one become a sailor.

Now, if a picture of a ship will impress boys to become Navy men, sailors of the sea, what ought the picture of the Lord Jesus Christ do? See? **Always have the right thing before your children.** "*Bring up a child in the way that it should go.*" See? Bring it up and teach it right. It'll certainly, won't depart from it.

WHY ARE WE NOT A DENOMINATION? [58-0927]

"*Bring up a child in the way that it should go, and when he gets old it'll not depart.*" And that's true. **There may be sometimes that he may depart from it, but it won't depart from him.** See? It'll--it'll always stay with him. That early training and whatever he's been brought up to do, it'll--it'll certainly stay with him

EXODUS 20:12

12. **Honour thy father and thy mother:** that thy days may be long upon the land which the LORD thy God giveth thee.

PROVERBS 15:20

20. A wise son maketh a glad father: but **a foolish man despiseth his mother.**

IT SHALL BE EVEN AS IT WAS TOLD ME [50-0818]

I think mother, **the good true mother is the fifth Gospel:** Matthew, Mark, Luke, John, mother. **Mother gets them first.** That's the one who brings them up first, is mother.

THE VOICE OF GOD IN THIS LAST DAYS [63-0120M]

...the commercial world has picked it up, and they make millions of dollars. "Mother's Day," bunches of flowers. Why, every day should be an honorable day to mother. She's off somewhere, old, **go see her**. That'll be worth more than all the flower you could send her, or anything else.

FAITH COMETH BY HEARING [54-0320]

How Moses... How could he, after being indoctrinated down there, and all that stuff poked into him, by those Egyptian scholars (how to embalm the body, and how to do this, and eat garlic, and everything else they had down there, and all the cures, and put-
ons they had down there in Egypt), how could he ever get that, all of that out of him? You know why? **Because he had a godly, little mother** that set him on her knee, down there off from one side, from all them scholars, and said, "Moses, you are chose of the Lord. God gave you to me, and your promise. We see God on you. And someday, you will deliver your brothers." Hallelujah. Faith cometh by hearing, hearing from the Word of God.

PSALM 113:9

9. **He maketh the barren woman to keep house, and to be a joyful mother of children.** Praise ye the LORD.

Yom Kippur War (1973)

180 Israeli tanks faced over 1,400 Syrian tanks (*the largest tank battle since World War II*).

A mere 436 Israeli infantry were poised to fight over 80,000 Egyptian soldiers. The attacks by Egypt and Syria were backed by nine Arab states, as well as the Soviet Union.

In October of 1973, Israeli Prime Minister Golda Meir called President Richard Nixon's personal phone requesting support at 3a.m.

"I could almost hear my mother's voice. She used to read me the Old Testament."
~ President Richard Nixon

As a young boy growing up, Nixon's Christian (Quaker) mother told him that someday he would be in a position where he could save the Jewish people and when that day comes you must do everything in your power.

When his cabinet pushed back due to potential conflict with the Soviet Union over sending such a large amount of supplies to Israel, President Nixon stated, *"We are going to get blamed just as much for three planes as for three hundred,"* and later in exasperation at the slow start of US support, he said *"Use every [plane] we have... everything that will fly."*

The U.S. Air Force shipped 22,325 tons of tanks, artillery, ammunition, and supplies.
