

The Importance Of An Absolute Pt12

Timeline Of Brother Branham's Life & Ministry

JOHN 1:6-8

6. *There was a man sent from God, whose name was John.*
7. *The same came for a witness, to bear witness of the Light, that all men through him might believe.*
8. *He was not that Light, but was sent to bear witness of that Light.*

20TH CENTURY PROPHET [53-0800]

At the age of seven, we moved from Kentucky to Indiana, up the road a bit from where we live now. We packed our water then from a well, some city block (I suppose) behind the old country home. One beautiful September afternoon, while coming from the pump with some water, there was a stately poplar tree stood about halfway between the pump and the home. Passing by there, there was a whirl of wind in the tree, what we call here a whirlwind. Why, it was nothing odd for that time of year in this part of the country. But it remained in the tree. It didn't leave. I stopped to see what it was. And a Voice spoke from It, saying, *"Do not never smoke, or drink, or defile your body in any way, for there'll be a work for you to do when you get older."*

A COURT TRIAL [64-0412]

The seventeenth person, I was leading out into the water. And I heard a noise, and I looked around. It was hot. It was on June, 1933, at the foot of Spring Street at Jeffersonville, Indiana. I was leading them out there. And the banks, all up-and-down, was just crowded with people. I walked out with this little boy. I had seen him at the altar. I said, "Son, have you accepted Jesus Christ to be your personal Saviour?" He said, "I have." His name was Edward Colvin.

WATCHMAN WHAT OF THE NIGHT [60-0722]

And I was just ready to baptize him, when I heard something say, *"Look up!"* Well, I got scared. I thought somebody on the bank was saying... I was just a boy preacher. I'd never been married yet; my to-be wife was taking pictures on the bank, which is my son Billy's mother. And I heard it again. And up to the third time, said, *"Look up!"* And when I looked up towards the heaven, a place about ten feet square, looked like water in the blue skies moving around. And out of that blue water like, came a Light coming down from heaven. The people begin to scream, and many fainted.

And the voice said, *"As John the Baptist was sent forth to warn the people of the first coming of Christ, your ministry will warn them of the second coming around the world."*

WHAT IS A VISION? [56-0408A]

I predict that America this year, the United States this year will either receive Christ, or she'll start falling from this year.

WHAT IS A VISION? [56-0408A]

...I believe that, that America is either going to receive Christ or is going to turn Him down flatly this year; and I predict that they will turn Him down. I do.

ABRAHAM'S COVENANT CONFIRMED [61-0210]

The American revival is over. It ended about four years ago. So it's--it's over. And there's no more revival in America...

JESUS CHRIST THE SAME... [61-0118]

I think they got about six or eight pictures of that since then, you know, different places: three in Germany just recently. They got one in color, Kodachrome color, up at the--somewhere at a fairgrounds in California, Lakeport, California, where the Christian Business Men had... It's really a beautiful picture of His Presence, that amber fire burning around.

WATCHMAN WHAT OF THE NIGHT [58-1130]

And here a few weeks ago (Maybe a stranger is here never seen it.), they caught another one. I got it at home. It's the profile of the Lord Jesus standing right behind where I was standing. And His hands are out and tongues of fire are flying off from His hands, while I was speaking on the subject, *"Say To This Mountain Be Moved And Don't Doubt In Your Heart, But Believe."*

And we've got it. It's in Techni--Kodachrome colors. And we've got it at the home now. And they're making... It's been examined now by science and so forth in laboratories. It'll be out pretty soon. Another one, which makes about six of them now in different places that's been took. This is the most outstanding of all of them.

Never seen... There's His--His beard, His face, His profile, His arms hanging out. And I was standing right in like this and where He's got His arms, you can't even see a place of Him like that. My head, then my feet down at the floor; just head and feet, that's all there was left. See? And He--He's standing with His arms right like this, and I've got my hands out like this a preaching, saying, *"Say to this mountain."* And about that time something took place, and they snapped the picture of it like that. And there it was behind. All in colors. And a big... so as God does arrange a big basket of calla lilies setting close: He's the Lily of the Valley.

REVELATION FOUR PT2 [61-0101]

Jesus Christ the same yesterday, today, and forever! The Holy Spirit still in His power, still in His Church in this last days. There you are. Not me, I was just standing there, but it was a picture that was taken. I want you to look at that, just exactly what Ezekiel saw. Same colors, the same way, and acted the same way, and flush the same way, of the living Creatures. What is it? The living Creatures represents the living Church, the Church that's living by the power and the resurrection of Christ.

THE UNVEILING OF GOD [64-0614M]

There is several sitting here, a number, that was with us the other day when He came in a whirlwind. Told us the day before, Brother Banks Woods and them, when He said, "Take up this rock, throw it up in the air, and say, 'THUS SAITH THE LORD! You will see it right away.'" And I picked up the rock, up on top the mountain, threw it up in the air, and the... course, coming down, it started the whirlwind, see, the suction of it.

You have to do something to cause something to follow it. Jesus took a piece of bread and broke it, then multiplied from that piece of bread. He took water, poured it into a pitcher. Elijah took salt, put it in a cruse; cut down a stick, throwed it on the water. It's something to symbolize. And picking up this rock and throwing it into the air, and coming down started the whirlwind.

THE UNVEILING OF GOD [64-0614M]

Right on the mountain, right across from, exactly, about one half mile where the seven Angels appeared, that I left here to go there for, that come back and told the... about the Seven Seals. Just about a half a mile from that.

SPIRITUAL FOOD IN DUE SEASON [65-0718E]

And just started walking around, put my shovel down, turned around, took off my hat. And here He come, the Glory of God falling in a whirlwind that tore the side of the mountain out like that, and blasted and shook the place like that, cut the top of the bushes out; just about three or four, five feet above my head. Went back up like a funnel like that; it blasted again. And, here it come, three times. Then when it left, the third time, Brother Banks come over, said, "That's what you was talking about?"

I said, "Yes."

Said, "What was it?"

I said, "God appears in whirlwinds." I didn't know whether He wanted me to tell the people or not. Then I went on and prayed a little bit. Then He told me I could tell them. I said, "It's judgment striking the West Coast." Look at her today! Look what happened a few hours after that: Alaska sunk. And now the whole thing is going under. We're entering into the judgment. Mercy has been spurned.

WHAT IS THE ATTRACTION ON THE MOUNTAIN? [65-0725E]

About two days after that, the earthquake almost sunk Alaska. What is this Light up on Sunset Mountain in the Coronado Forest of Arizona? What is this strange thing that happened up there, that the people has been driving east from west, picking up the rocks that laid around there where It struck? And every one of them, every one rock, has three corners on it, that It tore off. (The three are One.) They're laying on desks, on paperweights, across the nation.
