THE SIXFOLD PURPOSE OF GABRIEL'S VISIT TO DANIEL [61-0730E]

...what would I do without you? If I had nobody that loved me, nobody that would listen to the Message, all my Message would be no good at all. I can't preach it to telephone poles and trees. They wouldn't understand it. So it's got to be people like you all that will come and listen to it.

THE ODDBALL [64-0614E]

I can do nothing without you; you can do nothing without me; neither could do anything without God. So, together it makes the unit, the connection.

HEBREWS 11:39-40

39. *And these all, having obtained a good report through faith, received not the promise:*

40. *God having provided some better thing for us, that they without us should not be made perfect.*

HOW THE ANGEL CAME TO ME [53-1107]

...the Church can't do it yourself. It takes God to do it, with you. God can't do it without you, and you can't do it without God.

MY NEW MINISTRY [59-1115]

Now, listen to this. God has so arranged it, that His program cannot move without you and I. And as long as we're not doing what God leads us to do, we're paralyzing His program. But when the Church moves by the anointing of the Holy Ghost, then we're in God's will, doing His program.

LEAN NOT UNTO THY OWN UNDERSTANDING [65-0120]

And the only way you can be a son of God or a daughter of God, you had to be a part of God, and **God isn't complete without you.**

WHAT IS THE WORKS OF GOD? [59-0404]

Now there is the thing, **knowing how to yield yourself.** And some people is set in the Church; some can yield themselves to preaching. Some can yield themselves easily to teaching. Some can yield themselves to prophesying. Some can yield themselves to other gifts. So **all the gifts won't be alike.** They wasn't alike then; Paul said they wasn't. **But each man is called and placed into the Church for a purpose.** And if you'll find out what God can use him best at, and yield hisself to that place, **he will be a success.**

"An inferiority complex is the lack of self-worth, a doubt and uncertainty about oneself, and feelings of not measuring up to standards. It is often subconscious, and is thought to drive afflicted individuals to overcompensate..." ~ Wikipedia

II CORINTHIANS 10:12

12. *For we dare not make ourselves of the number, or compare ourselves with some that commend themselves: but they measuring themselves by themselves, and **comparing themselves among themselves, are not wise.***

Q&A [62-0527]

The Holy Ghost would go out among there and bring out the sick and the afflicted and the cripples, and heal them, and let them set over here in their big inferior complex built up over there. Shows how God deals with the humble in heart.

"An inferiority complex occurs when the feelings of inferiority are intensified in the individual through discouragement or failure. Those who are at risk for developing a complex include people who: show signs of low self-esteem or self-worth, have low socioeconomic status, or have a history of depression symptoms. Children reared in households where they were constantly criticized or did not live up to parents' expectations may also develop an inferiority complex. Many times there are warning signs to someone who may be more prone to developing an inferiority complex. For example, someone who is prone to attention and approval-seeking behaviors may be more susceptible." ~ Wikipedia

"A primary inferiority feeling is said to be rooted in the young child's original experience of weakness, helplessness and dependency. It can then be intensified by comparisons to siblings, romantic partners, and adults." ~ Wikipedia

DEMONOLOGY RELIGIOUS REALM [53-0609A]

I see your fields are full of wheat out here. **A full head of wheat always bows.** A little old sprig sticks up there, and flopping around like it knows everything, it ain't got it in the head. That's the way with a lot of these guys that **think they got a whole lot in their head, and nothing in their heart.** A holy head will bow to the power, recognize Jesus Christ as the Son of God, and believe His works. *"And He's the same, yesterday."*

THE AUTHORITY OF THE WORD [53-0602]

Never be somebody that you're not. I've often wondered, when wheat was growing in the field, you see the little wheat that sticks up and just feels like it's so--**the inferiority complex.** There's nothing in that head: a heavy head bows, a full head bows.

QUESTIONS AND ANSWERS 4 [64-0830E]

Q389. When a person realizes he has an inferior complex, or some sort of complex, how may he overcome this? So--should it be if he was the only child caused this in his early youth?

Take exactly the opposite. If you're always wanting your way, and that one little brat that wants to always have everything your way, turn right back around and give everything you got the other way. If you're selfish and you want to hold everything, then start giving away what you got. See? Do whatever--just go the vice versa. That's the way to overcome anything is an antidote.
