QUESTIONS AND ANSWERS [61-0112]

I said, "Sister, what time was that?" Just exactly the same time the Holy Spirit was speaking through me. What was it? Gifts.

JOSEPH MEETING HIS BRETHREN [56-1230] I was in on a little vacation. We was out in the woods squirrel hunting. And Something said to me, "Go home." I went home. And why'd I go to Louisville? I'll never know.

And Brother Wood raised around Louisville, driving the wrong block around and around and around, trying to pick me up. And God was holding me on a corner waiting for Sister Burns to come tell me. And it was her, that gallant woman that come told me her husband was dying there in the hospital when we went there and prayed.

And she got down and took that picture that the Lord taken his picture of the Pillar of Fire. All of you seen it, I suppose. Set it down on the floor, and she said, "Dear God of heaven," she said, "Help me to find Brother Branham at once. I must do it."

And she said, "**Angel of God guide me to him.**" That's what it takes. And she raises up and goes to town to pay a utility bill, and was strangely led around another corner, and God sent me from the woods to Louisville and held me on the corner for a half hour watching Brother Wood turn the wrong corner all the time up there trying to pick me up. See?
